1907 State Route 2023
Monongahela, PA 15063**

For class schedules visit: www.camphavenkennels.com

Basic I Obedience

For dogs who have little or no previous obedience training. Our special Holiday Session will include dog attention, sit, down, stand, stay, come, heel and leave it.

About Us - We have been teaching dog obedience classes for many years. We have a very down-to-earth positive approach to dog training and try to make learning fun for both dog and handler through various games and exercises. Daily practice at home is a must.
